Louise:

As you know, the final Root Cause Analysis Report was filed on Friday. See following and attached.

I would welcome the opportunity to meet with you, lawyer to lawyer in Chicago, to answer any additional questions you or your client has about this matter. In particular, I would like to use this meeting to share with you an updated list of costs that our client has incurred on this matter. I also have a proposal for your consideration for an outcome that may be beneficial as you discuss with your client the final disposition of this matter

Are you open to my suggestion for a meeting on this matter? If so, please suggest some time/dates and I can make it happen.

For your information, I plan to make a similar request for a lawyer to lawyer meeting with DNR Legal on this matter.

Thank you for your consideration of this request.
